

FUTURE DAYS

March 20, 2006 – Fine Living: 2026 is set to debut March 27 as the premier case study installation of L.A. Design Week (2006). Occupying the second-floor exhibit hall of the L.A. Mart Design Center, the 1,300-sq.-ft. installation is being designed by the nationally acclaimed, four-time AIA National award-winning architectural firm Tighe Architecture, which is based in Santa Monica, CA.
