Thursday Night - GenArt

Last night I attended a benefit for GenArt. They are the leading Arts and Entertainment Organization dedicated to showcasing the best emerging talent in Film, Fashion, Art and Music. The great thing about this organization is that it offers emerging artist the opportunity to showcase their talent. Check out their website at www.genart.org

Hope you have a great weekend - I'll be in town for the first time in 2 months and I'm looking forward to reading through the pile of design magazines stacked on my nightstand.

LA Mart Design Center Marketing director Jeff Sampson &
Heather Pinto with me at the GenArt Benefit last night.

I enjoyed sharing my design process on the showcase loft I designed with fellow designers today. It's nice to get a chance to catch up and share what is going on in our industry. Thanks to LA Mart Design Center and LA Magazine for hosting this morning.

The Showcase Loft Project - I mentioned last week that I would share photos of the Showcase Loft I am working on for LA Magazine and the LA Mart Design Center. It is open for tours starting today through the 29th. Call 323-993-7211 for more information on times and tickets. I hope you enjoy these before and after photos of the Showcase Loft. Thanks to the amazing Grey Crawford, who took these photos.

My best friend John collects Harley's and Custom Choppers - he was nice enough to let me borrow it for this showcase loft - it's the largest accessory I have ever worked with - it looks great in the entry.
