

LED LIGHTING SEMINAR

PRESENTED BY

**Architectural Lighting & Design
and Western Lighting**

Join Western Lighting's Jeff Jarvie for an informative presentation outlining the evolving demand for new lighting fixtures that are cost efficient and more carbon neutral. Explore how new green technology, legislation and aesthetics are shaping trends in the residential and commercial marketplace.

THURSDAY | MAY 20 | 2010

Architectural Lighting & Design | Suite 1203

L.A. Mart Design Center

Presentation 11 a.m. – Noon
